URGENT: Your telephone services will be impacted unless you take action!

Dear Valued Customer,

Legacy Long Distance International, Inc. (DBA Legacy Inmate Communications) will discontinue offering local exchange (dialtone) services in the states of California and Texas on or after June 30, 2019, pending applicable regulatory approvals. **Your service will be affected by this discontinuance.**

To avoid a **permanent disruption of your telephone services**, please contact Legacy Inmate Communications at 1-877-553-4440 as soon as possible to discuss your available options for an alternative service provider. Failure to do so may result in insufficient time to transition your services to an alternative provider. If you subscribe to our local services, you could lose your dialtone, including your telephone number, with no short-term ability to restore them. Therefore, you will need to migrate the services you now receive from Legacy Inmate Communications to an alternative provider **before June 30, 2019.**

Additionally, to assist in this transition we have reached out to Fusion (formerly known as Birch Communications) as an alternative provider to meet your dialtone needs. Their contact information is:

A filing is being made with the FCC for approval of this discontinuance of service. The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of Legacy Long Distance International, Inc. (DBA Legacy Inmate Communications). Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

Although we will no longer provide CLEC services, we greatly appreciate your past business with us.

Legacy Inmate Communications' Customer Service can be reached at 1-877-553-4440 or info@legacyinmate.com or in writing at 10833 Valley View Street Suite 150, Cypress, CA 90630.
